Superintendent Miss Rempp:

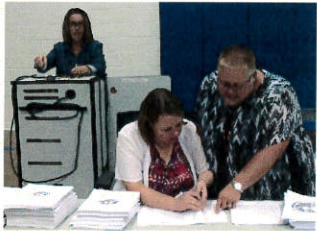

The school year has gotten off to a great start! The teachers and students have been working hard these first three weeks to master their routines and procedures in order to create smooth running days and a positive learning environment. Teachers have put forth several challenges to students. A couple of items that we are celebrating are perfect attendance by the entire class in 6th grade for the week of August 22-26th and all homework completed and turned in on time by the 3rd grade for that same week.

Congratulations to the student-athletes at the high school level for their dedication in both the classroom and on the practice field to prepare for their first week of games. Their coaches have issued them some challenges for staying eligible all season and showing up to both practice and games every week. I am looking forward to attending more games this fall and seeing them earn their incentive trips.

Our emphasis is for all students to be here all day, every day. As a staff we are excited to have your children with us in our classrooms and participating in extracurricular activities. We ask the parents to support this by helping your children to be in school on-time, every day. In order for us to do our jobs we have to have you as our partners so that your children can achieve to the best of their abilities.

First semester parent-teacher conferences will be Thursday, September 22nd. I look forward to meeting more of you that evening. We will be sending out notices for additional family/community nights as well. Our overall school success depends on your support of the school so please make sure to stop in and see us on these scheduled evenings or attend the sports events and music programs.

OPEN HOUSE—BACK TO SCHOOL PICNIC—Aug 17, 2017

Back to School Open House, 5:00-6:30. Community stopped by to visit classrooms, teachers, administrators and staff. Meal was provided and lots of door prizes were given out. Thank you for the support.

Elementary Principal Mrs. Nagel

Meet your Elementary Principal...

Happy New School Year to all!! I am honored to be part of your Leadership Team at Santee Community School. My name is Cindy Nagel and I live outside of Springfield, SD with my husband Blane, five children, daughter-in-law, and grandson.

I have been involved in education for 25 years. My goal for the year is to have all students and staff excited about coming to school and learning.

The whole staff has been very busy preparing the school and each classroom for our students. Thank you for allowing us the opportunity to have your children in our school.

Please remember the importance of having your children at school every day. We want to make sure they stay on track for grade level learning. We are off to a great start with several classrooms having perfect attendance. The Student Council members visited the elementary classrooms and challenged the students to work hard, be respectful, and to make sure they come to school. The Student Council is encouraging student attendance by issuing concession stand certificates for various items for those students with perfect weekly attendance.

School doors will open at 7:30 with breakfast served at 7:40. Classes will start at 8:15 and dismiss at 3:30. The After School Program has started, if you are interested in your students attending they need to have a signed permission slip turned in to Mrs. Nielsen. That program will run till 5:00.

Please note our staff is busy engaging and working hard with your child, so classrooms will not be interrupted for phone calls or messages unless it is an emergency.

Thank you for allowing Santee Community School to be part of your child's education.

Mrs. Nagel

"Every child deserves a champion – an adult who will never give up on them, who understands the power of connection and insists that they become the best that they can possibly be."

Rita Pierson

Warriors Preschool—4yr Old Ms. Stewart & Ms. Tashina

Hello, Santee Community and others, Welcome to a new year of Prekindergarten (Preschool). We have been working hard to learn the new rules at school and to get into a routine. We are doing very well. We have learned how to walk in the hallway, share toys with others, and we are working on writing out names.

If you have any questions, please call me at the school. (402-857-2741)

September dates to mark on the calendar

Sept. 5 NO SCHOOL –Labor Day

Sept. 19 NO SCHOOL-Teacher Workday

Sept. 22 Early Dismissal @ 2:30
Parent Teacher Conferences @ 2:30-6:30

Sept 23 HOMECOMING...more info coming soon!

21stCCLC—Program Director Mrs. Nielsen:

After School Program News

Your child has the opportunity to participate in Santee Community School's 21st Century Community Learning After-School Program. Students in grades kindergarten through sixth grade are welcomed and encouraged to attend the program.

The After-School program will be held Monday – Friday from 3:35 – 5:00 p.m. and on Fridays from 3:35 – 4:30 p.m. Permission forms have been sent home with the students, if you need an additional permission form please call the school or stop in and we will get you the permission form.

9th Hour

Students in grades 7th – 12th grade can benefit from attending 9th hour. 9th hour is held from 3:35 – 4:45 p.m. each school day. This time is for students to complete homework and receive additional help in a subject area.

ELEMENTARY NEWS

Hello from the Second Grade—Mrs. Steffen

We have had a great three weeks of school, and I have had a wonderful time getting to know your children! They are a great group so please keep sending them to school each day.

spelling words, and I encourage you to quiz your child for extra practice because we have a graded spelling test every Friday.

We have been busy little bee's in math and already had our first math test. All of the students did AWESOME!

In science, we are taking on the role of scientists and learning about investigations and science tools through different experiments.

We are also working on our map skills in social studies — north, south, east, and west.

Well, hope you have a wonderful weekend and can't wait to see the kiddos on Tuesday!

In reading, we have read stories and poems about monkeys and a blobfish, and we are also working on writing complete sentences.

Also, every Monday the students will bring home a list of

First Grade News! - Mrs. Kester

We have had a great first three weeks of First Grade! We have been busy practicing our expectations, adjusting to school without naps, and learning lots!

We started the year with a camping theme which included reading many camping stories, decorations and making S'Mores!

This past week we were busy with MAP testing in which the First Grade students did a great job at taking their time and focusing! We have a majority of students that tested at the first grade level where they need to be! Keep up the GREAT work students!!!

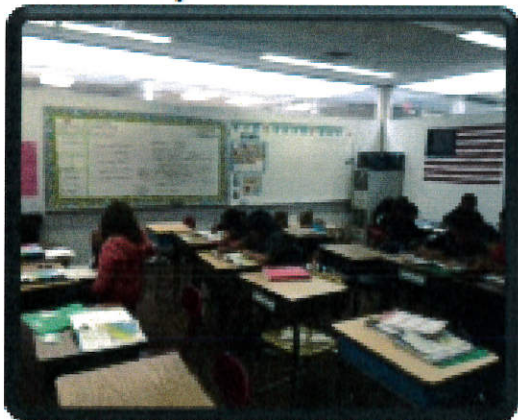

I am looking forward to a super year where First Grade students will continue working and staying on the successful educational path! What a way to start the year!

Mrs. LaPlante's Class Newsletter

Hello, my name is Ruth LaPlante. I will be the 4th, 5th and 6th grade Science and Social Studies teacher this year ☺ I am looking forward to spending the year with your children. Please feel free to stop in, email or call

4th Grade Science class learning how to safely use some Science tools.

5th Grade Social Studies class working on the United States Regions maps.

Special Events:

Science News....7-12

Hello from Ms. Avery 2.0!

I say that because I have changed up the way I teach. We are putting more emphasis on communication and using speaking and listening partner activities. Students have less homework, but have notebooks they need to keep organized.

I welcome any communication; phone, text, email,... savery@santeeschools.org, (402) 841-3711, or the school's number after 3 pm.

As always my door is open if you would like to speak with me about how your child is performing in school.

SANTEE FUTURES ACADEMY

Hello Santee Community,

Welcome back to another great school year at Santee Community Schools! This year we have created The Santee Futures Academy to help students get on the right track towards receiving a high school diploma. It is our mission to provide an equivalent education opportunity in a non-traditional setting.

The Santee Futures Academy is available for anyone that is of school age (under 21) and for whatever reason has been unsuccessful in the traditional classroom setting. We will operate under a simple philosophy here which is:

Good Attitude + Good Attendance + Good Work = GRADUATION!

If you or anyone you know is interested or has questions about the Santee Futures Academy please contact the school. We look forward to helping our students get on the path to a bright future!

Contact Information: Jeremy Peter jpeter@santeeschools.org

First Day of School Fun Day. All of the students were divided into teams for various games & activities. And we celebrated with slushies for afternoon snacks
